KEVIN SANTIAGO CASTRO TORRES

Mexico

kecato17@gmail.com — +52 56 1192 3426 — LinkedIn: kevin-santiago-castro-torres

Education

Instituto Tecnológico y de Estudios Superiores de Monterrey (ITESM CEM)   2022 – 2026

B.S. in Computer Science   *Expected Graduation: 2026*

Relevant Coursework

Data Structures & Algorithms, Computer Networks, Database Systems, Software Engineering, Cybersecurity Fundamentals

Awards & Competitions

- **ICPC (International Collegiate Programming Contest)** — Qualified for the **Mexico National Finals** (Guadalajara, Nov 8, 2025); recognized as **State of Mexico Champion Team**.

Experience

KTSA: KPMG Technologies Services Americas   2022 – 2023

Cybersecurity Intern

- Supported incident response activities by following IR procedures, documenting findings, and assisting in security workflow execution.
- Strengthened fundamentals in cybersecurity operations, reporting practices, and teamwork under Agile methodologies.

Projects & Leadership

- **Cybersecurity Concentration — OT Protection from IT Threats**   2025
  Focused on securing OT environments from IT-originated threats; practiced pentesting basics, security monitoring, and IT/OT best practices. *(OT/IT Security)*
- **Verqor Game** — Educational Unity game promoting sustainable agriculture and decision-making. *(Unity, C#, MySQL)*
- **Zazil App** — Kotlin mobile app integrating Stripe payments and MySQL-based sales tracking. *(Kotlin, Stripe, MySQL)*
- **Traffic Simulation System** — Multi-agent traffic simulation to evaluate traffic-light efficiency. *(Unity, Python)*
- **Logistics Coordinator — HackMx 6 (ITESM CEM)**   2024

Skills

Languages:	C/C++, C#, JavaScript, TypeScript, Python
Frameworks/Tools:	React, Node.js, Express, Git, Linux, SQL, Postman
Databases:	MySQL, MongoDB
Cybersecurity:	Incident Response fundamentals, Network Security basics, Security Monitoring
